Years after being released from prison, Lhagyari's father died at the age of 74. At the time, his only son was 11 years old. A year later, Lhagyari, the current king, was crowned by His Holiness the 14th Dalai Lama.

For now, that means talking about his film, awareness spreading about the plight of the Tibetans and making sure that Americans know the Tibetan and Chinese peoples are not enemies.

Fistball is one of the oldest sports in the world, played in Europe for centuries dating back to the Roman Empire. It gained popularity in the 1700s throughout Italy, Germany, Austria and Switzerland, and a European league was formed in the 1800s.

Fistball made its way to the United States more than 80 years ago.
